SHRINK WRAP

Shrink Wrap to 20' (plus frame, vents, doors)	\$13/ft
Shrink Wrap > 20' (plus frame, vents, doors)	\$16/ft
Vents	\$12 ea. installed
Mast, Shroud, Stanchion Cuts	\$7 ea.

Most carefully removed and stored shrink wrap covers can be used for two, and sometimes even three years. Second and third-year shrinks are billed only by time and material to erect frame, install cover, and patch if necessary. We recommend that you bring your boat to the Shipyard in the spring to have it uncovered. We will bundle and store your cover and frame at no charge to be reused in the fall.

Prices subject to change.

	to 23'	>23'-26'	>26'-30'

Water at dock at high tide			\$.50/gal	\$10 min.
Lighting / Work boat				\$75/hr
Annual Environmental Safety Fee			\$15 commer.,	\$20 pleasure

The Environmental Safety Fee is used to defray the costs of cleaning spills, meeting OSHA health and safety standards, and keeping an orderly, user-friendly yard for our customers.

Coin-op showers and laundry are available for yard customers.

TERMS:

1. Boat owners shall provide certificates of insurance.
2. Yard bills must be paid in full prior to launch.
3. Haulout, stands & dead storage are due upon haulout.
4. Dead storage is due in advance of the storage period. Dead storage periods contracted monthly are subject to 10% administration fee.
5. Overdue accounts will be charged 1.5% monthly (18% APR).

* Summer storage: monthly rates, June - August

Full season: nine months, September - May

** Do-it-yourself spaces are provided for owners on their own boats. Yard approval must be obtained before hiring any outside help; approved contractors must provide proof of liability insurance. Indoor DIY layover exceeding one month will be billed at a weekly rate of \$475, as shop schedule allows.
